Summary

I bring a strong blend of technical expertise, creative design skills, and problem-solving abilities. With a background in **Computer Science**, I excel at building responsive, scalable, and user-friendly web applications using modern technologies like HTML5, CSS3, JavaScript, and React.js. My passion for UI/UX design drives me to create intuitive, visually appealing, and accessible interfaces using tools like Figma and Adobe XD. Skilled at bridging design and development, I deliver impactful digital solutions aligned with user needs and business goals. Dedicated to continuous learning, I'm eager to contribute to your team's success by delivering exceptional digital experiences.
